You look good and you look good
 You look good and you look good
 ~~~~~  
 Every girl I see are looking good to me  
 Every girl I see are looking good to me  
 ~~~~~  
 You know the pretties girl that I ~~~~~ ve ever
 seen
 Was a girl right here, looking like a queen
 And how she looks, no words can tell,
 Because all of those girls, you know they sure look well
 ~~~~~  
 Every girl I see are looking good to me  
 Every girl I see are looking good to me  
 ~~~~~  
 And the girl I see had an angel ~~~~~ s face
 She has so mush charm and suit in laze
 And what shall do, I don ~~~~~ t know
 Cause I ~~~~~ ve never felt like this before
 ~~~~~  
 Every girl I see are looking good to me  
 Every girl I see are looking good to me  
 ~~~~~ Solo  
 ~~~~~  
 Well I do anything to make that bit  
 You know I get exited when I see that chick  
 My heart gets happy and I ~~~~~ m full of faith  
 Because all of these girls, are tending mean  
 ~~~~~  
 Every girl I see are looking good to me
 Every girl I see are looking good to me

 I can ~~~~~ t put you down from no-one else
 You know you look so good, I can ~~~~~ t control
 myself
 I ~~~~~ m going crazy; you know I ~~~~~ m
 not so blame
 You all look lovely, pretty little thing

 Every girl I see are looking good to me
 Every girl I see are looking good to me
