It's three o'clock in the morning
And the rain began to fall
I know what I need
'Cause I don't have it all

I'm needing someone like you
That I can do love to
Baby, baby
I need you tonight

Outside my window
It's lonely and cold
Inside my heart there's a fire
Burning out of control

Burning for someone like you

I just wanna do love to
Baby, baby
I need you tonight

Your love is coming to me
Like a wolf howlin' at the moon
But that just won't do me
'Cause I can't get you soon

I'm callin' for someone like you
That I can do love to
Baby, baby
I need you tonight
I need you tonight

Callin', callin', callin', callin'
Honey, I need you tonight
