I've got to have all your love, both night and day
Oh yes we do
Not just a little part, from all your heart
Yes you do child

Ninety-nine and a half just won't do
Ain't gonna get it baby, no, no

Don't be led, in the wrong direction, oh no
Stop and think that a man need love and affection,
Yes he do child

Ninety-nine and a half just won't do, oh no

I've got to bring it all down and start livin' right
Oh yes we do child
Stop messin' around and keep being uptight

Ninety-nine and a half just won't do, ow!
I got to have a hundred
Yes we do child, owww! Hey, baby.

Wooooo.

Just won't do.

Got to, got to, go to....
