The things that I used to do
Lord I won't do no more
The things that I used to do
Lord I won't do no more

Used to sit and hold your hand, baby
Beggin' you, not today

I used to search all night for you baby
And I search always anything
I used to search all night for you baby
And I search always anything
Yeah and I knew all along, darlin'
You was out somewhere with your other man

I'm gonna send you back to your mother, baby
Or I'm gonna back to my family too
I'm gonna send you back to your mother, baby
Or I'm gonna back to my family too

Nothin' I ever do pleases you, darlin'
Or I just can't get along with you
