There is something on your mind
By the way you look at me
There is something on your mind
By the way you look at me
Can what you're thinkin' bring happiness?
Or will it bring me, it just misery

No, no please don't try to tell me
"I'll think, I can understand"
Don't try to tell me, baby
"I'll think, I will understand"

You want me to try and forgive you
But you can bet I'll do, I'll do
I'll do the, I'll do the best that I can

If you ever think about me
If I ever cross your mind
Oh Lord, if you ever, if you ever
If you ever think about me, baby
If I ever cross your mind, yeah
I want you to know, I want you to know, yeah
That you, you, you , you are mine
