Yes the people are talkin' all over town
They say you don't love me you gonna put me down
You better watch yourself baby, you better watch
yourself
You better watch yourself woman, 'cause I got my eyes
on you

Now you tell me what's the matter, what you gonna do
First you say you love me now you say we're through
You better watch yourself baby, watch yourself
You better watch yourself woman, 'cause I got my eyes
on you

I gave you my money, everything too
A big fat house now baby what you gonna do
You better watch yourself, you better watch yourself
You better watch yourself woman, 'cause I got my eyes
on you

Now you're gonna leave me, leave me here to cry
Now you know I love you, you're my whole heart's
desire
You better watch yourself baby, you better watch
yourself
You better watch yourself woman, 'cause I got my eyes
on you

Yes, yes, yes baby, yes, yes baby, yes, yes baby, yes,
yes baby
You better, you better watch yourself woman, you
better watch yourself
You better watch yourself baby, 'cause I got my eyes on
you
