Blind man standin' on, on the corner  
He said I don't, ah, I don't need a dollar  
And don't you give me a dime  
Until you bring back that little girl  
Ow my  
Yeah  
Yeah  
Yeah

The people try to tell me to stop cryin'  
And find me someone new  
'Cause when the good Lord made one woman  
Halleluja, don't you know he made two

And I can't let her go no no  
Lord Lord know I can't let her go  
Yeah  
And I can't let her go no no no  
Lord Lord Lord Lord I can't let her go no  
Hey

Oh baby  
Oh baby  
Little darling  
I wanna do you, yes  
Know what a shape I'm in  
Lord, Lord I've been standin' here  
Oh, I think about you baby  
Yeah just for the hell of it

Aha  
You know  
When I left home  
I left the country and there was a  
A thing about the blues  
You know my mother and father  
Are no longer with me to  
Share this problem and  
But they did tell me  
Sometime ago says a

Go ahead alone

You know what  
They said a  
You may not be  
The best in town  
Just try to be the best Buddy  
until it's about to come around

And I can't let it go no no  
Lord  
Yeah yeah  
And I can't let it go no no no  
Lord Lord Lord I can't let her go no  
Yeah  
And I can't let it go no no  
Lord Lord I can't let my baby go no no no no no  
hey hey hey hey hey
