(Somebody got to help me  
Tell me who.. who's gonna fill their shoes  
(know what I'm talking about)  
Tell me who..who's gonna fill their shoes  
They're the ones who made the blues  
Who's gonna fill their shoes. (That's what I need help about)

Down in the delta..Old sun house  
Hard luck and trouble what he was singing about  
Robert Johnson heard it..made it his own  
He got it started..Now we got to carry on

Tell me who..who's gonna fill their shoes  
They're the ones who made the blues  
Who's gonna fill those big shoes

Muddy Waters..Howlin' Wolf..Willie Dixon.....Sonny Boy too  
Little Walter..Otis Spann..Jimmy Reed I say  
Tell me who..who's gonna fill those shoes  
They're the ones who made the blues  
Who's gonna fill those great big shoes.. (Tell me)

BB 'n Albert..and Freddie their the King..they ruled the world by bending those guitar strings  
Johnnie 'n Lightnin' and Stevie Ray.. Lord knows we got a debt to pay  
Tell me who..who's gonna fill those big shoes (Tell me)  
They're the ones who made the blues  
Who's gonna fill those shoes

Tell me who..who's gonna fill those shoes (Tell me)  
Tell me who..who's gonna fill those shoes  
(That I'll be hard to do)  
They're the ones who made the blues  
Who's gonna fill those shoes
