You can't kill us you cant thrill us  
you can't kill us hate in my neck  
You can't kill my mind you  
can't kill my time  
our return is now

[Chorus 2X]  
Do it, do it  
taste my blood  
drink my deadly power  
do it, do it  
taste my blood  
I am the essence of evil

The blood in my veins  
blood to sacrifice  
fear for the truth  
the fear to infect you  
Bleeding hearts for a feeling inside  
With a force of our mind for visions of death

[Chorus 2X]

Blood for my rise  
I rise for my sword to slit your throat

Feel the infection  
I want you to feel  
I can fill your throne  
I'll always be next to you  
You will never see  
I rise for my sword  
chains will slip away

you are a god of lies  
endless and it's over now

You scorn my existence chains will slip away  
I rise for my sword to fill your throne  
I'm the one you called for help  
Blood you drink from the river of hate  
You can't kill us you can't thrill is

hate in my neck, hate in my back  
you can't kill my mind you can't kill my time  
and return is now for all to see

Do it, do it  
taste my blood  
blood in my veins  
Do it, do it taste my blood  
blood to sacrifice  
Do it, do it taste my blood  
your blood to feel  
Do it, do it taste my blood  
to infect you

[Chorus 2X]

You are a god of lies
