"Eyes Of Innocence"

Remember how we used to laugh all day
All the things we used to say
How come hearts can grow so cold
Just because we grow old

Things were simple then
Why does it have to end?
Can we be little children again?

Through the eyes of innocence
It can be as it was then
Childlike love is heaven-sent
Through the eyes of innocence

Today is just tomorrow's memories
Broken pictures, faded dreams
Embracing thoughts that bring us pain
Desperate eyes seek in vain
Through the eyes of innocence
See the smile of youth again
Childlike love is heaven-sent
Through the eyes of innocence

Childlike love is heaven-sent
Through the eyes of innocence
