I float inside her womb
Oh mother, I am coming soon
Suddenly, fear and dread
When mother says she wants me dead

Oh, how can you do this to me?

Thousands come
Please don't kill me
Thousands go
I want to live

Day by day
Can anyone hear me
The numbers grow
I want to live

God hears them cry
We hear the lie
And we simply
Look the other way

See no evil
Hear no evil
Speak no evil

From a pail with open eyes
I see the man that I despise
He looks at me and turns his back
As my life fades, it fades to black

And there's no turning back

Thousands come
Please don't kill me
Thousands go
I want to live

Day by day
Can anyone hear me
The numbers grow
I want to live

God hears them cry
We hear the lie
And we simply
Look the other way

See no evil
Hear no evil
Speak no evil

Mommy, can you hear me?
Mommy, mommy, I'm afraid

Thousands come
Please don't kill me
Thousands go
I want to live

Day by day
Can anyone hear me
The numbers grow
All I want is a chance to live

God hears them cry
We hear the lie
And we simply
Look the other way

See no evil
Hear no evil
Speak no evil

See no evil
Hear no evil
Speak no evil
