Sometimes I wonder, why we're here
We blossom, fade and disappear
So many souls have come and now they're gone
The legacy of life moves on dawn after dawn

(The winds of change)
The likes of which no man can tame
(Who will remain?)
To carry on in Jesus name

We are young, we are strong
(We are strong)
We were sent to carry on

The future's in the mouth of babes
The wisdom of the final age
It's up to us to try and make a stand
Heaven knows the time's at hand, I think we can

(The test of time)
To walk the straight and narrow line
(The choice is mine)
We follow what's divine

We are young, we are strong
We belong
(We are strong)
We were sent to carry on

We are young, we are strong
We belong
(We are strong)
We were sent to carry on

I feel, I've wasted so much time
(Wasted so much time)
To live is to run the race
To cross the finish line
But the road to Him inclines as destiny unwinds

(The winds of change)
Nothing ever stays the same

(Who will remain?)
To forge the link, to make the chain

We are young, we are strong
We belong
(We are strong)
We were sent to carry on

We are young, we are strong
We belong
(We are strong)
We were sent to carry on
