I ran too far
Fought too hard and lived too fast
Broke me down, tore me up

So I buried myself
Deep down in the blackest hole
There I slept, There I wept

All these tears I she'd
Slowly healed my bleeding soul
It takes a fall to rise again

Inside of me
I'm ready to grow young again
Start the fire in this heart of ice

The time is right for me again so lift your eyes up to the
sky
You'll see me dancing on the winds again

There's no more tears for me
Bring life to empty eyes
I will be once again
The tears from heaven dance

Tears from heaven fall
The fallen angels dance before my eyes
As I reach out from this womb

God save this world
I will walk upon it again
I will breathe, I will live

The time is right for me again so lift your eyes up to the
sky
You'll see me dancing on the winds again

There's no more tears for me
Bring life to empty eyes
I will be once again
The tears from heaven dance
