Darkness calls my name  
The one who walks in flame  
Blood of ancient serpents rise

Wings spread above the slain  
Where fallen angels reign  
They live in terror of the light

When you feel crucified  
Know your fear is alive

Angel of Darkness  
Standing in the light  
I see Satan  
Ruler of night

Flames of hell burn high  
Rising to the sky  
A veil of death cloaks the night

Wings spread above the slain  
Where fallen angels reign  
They live in terror of light

When you feel crucified  
Know your fear is alive

Angel of Darkness  
Standing in the light  
I see Satan  
Ruler of night

When you feel crucified  
Know your fear is alive

Angel of Darkness  
Standing in the light  
I see Satan  
Ruler of night

Angel of Darkness  
Standing in the light

I see Satan  
Ruler of night

Angel of Darkness
