Forever seems so far  
Forever seems so cold  
Forever cries the heart  
Forever yearns the soul

When all the angels  
Fly far from thee  
When demons dance  
In dream ...

When all these words  
Don't seem to form  
What are these words  
Without your soul  
Forever lights the stars  
Forever haunts the ghost

When all the angels  
Fly far from thee  
When demons dance  
In dream ...

Fall down on me  
We'll fly into the night

Fall down on me  
We'll fly into the night

And now it seems our worlds have grown  
We're in a place we've never known  
Just know where darkness falls  
Then forever comes the stars

When all the angels  
Fly far from thee  
When demons dance  
In dream ...

Fall down on me  
We'll fly into the night

Fall down on me

We'll fly into the night

Fall down on me  
We'll fly into the night

Fall down on me  
We'll fly into the night  
Into the night

Fall down on me  
We'll fly into the night

Fall down on me  
We'll fly into the night
