Floating on the water  
Arms out, waiting here for you to swim with me  
Destined to discover  
Something that I can't explain  
Can you hear me?

I am calling out your name (I'm calling out your name)  
I'm left without a trace  
Do you feel incomplete?

You're gone and I'm waiting here alone (Will you save me?)  
You're gone and I'm waiting here alone (Will you save me today?)

Drifting, I am keeping  
Headstrong not giving up but I'm failing (But I'm failing)  
Hopes sinks underwater  
Can't find any sign of you  
I'm drowning

I am calling out your name (I'm calling out your name)  
You left me incomplete  
I'll never be the same

You're gone and I'm waiting here alone (Will you save me?)  
You're gone and I'm waiting here alone (Will you save me?)  
And I can't live on anymore (Will you save me?)  
You're gone and I'm waiting here alone  
Waiting here alone

Will you save me?  
Noooooooo

You're gone and I'm waiting here alone (Will you save me?)  
You're gone and I'm waiting here alone (Will you save me?)

And I can't live on anymore (Will you save me?)  
You're gone and I'm waiting here alone (Will you save  
me today?)
