I was on the beach, sitting on the sand
She was watching the sets with a surfboard underneath
her arm
When I saw this girl, dark brown eyes and a dark olive
tan
She's so good
The first moment I saw her I knew she'd do me some
harm
She came out of the water with the best session I'd
seen

Man she had the biggest chi chi's I had ever seen
She put down her board, and sat down next to me

And played a soft ole lonely tune on her ukulele
I don't know what had happened, but I'd fallen asleep
The next morning I woke up, she was sleeping next to
me

Chorus:

I fell in love with her, Im so in love with her
I fell in love with her, my little surfer girl

Grabbed me by the hand and then she took me out the
door
She got out of bed and waxed up both our boards
Man I knew that she was the one and damn I couldn't
wait
We surfed all that day long, at least eight hours
straight

So I asked her to marry me, dammit you know she said
"Yes"

She said, "Well yea I guess"

Well I asked if she loved me

Chorus:

I fell in love with her, Im so in love with her
I fell in love with her, my little surfer girl
I was at the alter, in my tuxedo-o-o
Waiting for my surfer girl, man where did she go?
That she went to Mexico, to catch a, to catch a, to catch a

10 foot swell
Later on that day, a friend of me did tell-ell-ell
That Bitch!

I fell in love with her, Im so in love with her
Chorus:
I fell in love with her, my little surfer girl
My surfer girl
