This vacation's useless, these white pills are gone
I've given a lot of thought on this 13 hour drive
I missed the grinded concrete where we sat past 8 or 9
Slowly finished laughing in the glow of our head lights
I've given a lot of thought to the nights we used to
have
The days have come and gone, our lives went by so
fast
I faintly remember breathing on your bedroom floor
Where I laid and told you but you swear you love me
more
Do you care if I don't know what to say?
Will you sleep tonight or will you think of me?
Will I shake this off, pretend its all ok?
That there's someone out there who feels just like
me... there is
Those notes you wrote me I've kept them all
I've given a lot of thought on how to write you back
this fall
With every single letter in every single word
There will be a hidden message about a boy that loves
a girl
Do you care if I don't know what to say?
Will you sleep tonight or will you think of me?
Will I shake this off, pretend its all ok?
That there's someone our there who feels just like
me... there is
Do you care if I don't know what to say?
Will you sleep tonight or will you think of me?
Will I shake this off, pretend its all ok?
That there's someone out there who feels just like me
Do you care if I don't know what to say?
Will you sleep tonight will you think of me?
Will I shake this off, pretend its all ok?
That there's someone out there who feels just like
me... there is
