You know we belong together  
You and I forever and ever  
No matter where you are  
Your my guiding star  
And from the very first moment I saw you  
I never felt such emotion  
I'm walking on air  
Just to know... (just to know)  
You are there... (you are there)  
Hold me in your arms  
Don't let me go  
I want to stay forever  
Closer each day...  
Home and away

Let me be the one that you turn to  
Someone you can rely on  
Closer each day...  
Home and Away
