If she were any other woman  
I wouldn't be going home right now  
I'd stay out a little while longer  
Put another coat of paint on this town

If she were any other woman  
I'd go home just to keep the peace  
But I've found she's where I find it  
So that's where I wanna be

If she were any other woman  
She wouldn't have this hold on me  
Ain't no woman like my woman  
So there ain't no other man I'd rather be

If she were any other woman  
Lord knows, she might have thought twice  
'Bout hanging all her dreams on a dreamer  
'Cause it ain't been an easy ride

If she were any other woman  
No tellin' where I'd be right now  
She keeps my head from turnin'  
And my feet on solid ground

If she were any other woman  
She wouldn't have this hold on me  
Ain't no woman like my woman  
So there ain't no other man I'd rather be

She wouldn't stay on my mind  
Mornin', noon and night  
She wouldn't move me like she does

If she were any other woman  
She wouldn't have this hold on me  
There ain't no woman like my woman  
So there ain't no other man I'd rather be

Ain't no woman like my woman  
So there ain't no other man I'd rather be
