La da da da de.....

The moment was custom made to order

I was riding with my daughter on our way back from
Monroe

Like children do, she started playing twenty questions
But I never could have guessed one would touch me to
my soul

She said daddy

when we get to heaven Can i taste the Milky Way?

Are we going there to visit or are we going there to stay

Am i Gonna see my grandpa ? Can I have a pair of
wings?

Do you think that God could use another angel
to help pour out the rain?

La da da da de.....

Well I won't lie

I pulled that car right over

Sat there on the shoulder tryin to dry my misty eyes

And i whispered Lord, I wanna thank you for my
children

Cause your innocense that fills them often takes me by
surprise

Like daddy when we get to heaven can i taste the milky
way

Are we going there to visit or are we going there to stay

Am i gonna see my grandpa? can i have a pair of wings

And do you think that God could use another angel

To help pour out the rain

Well i thought about it later on and a smile came to my
face

And when i tucked her in to bed I got down on my
knees and prayed

Lord when i get to heaven can i taste the milky way

I don't want to come to visit cause i'm coming home to
stay

And i can't wait to see my family and meet jesus face

to face

And do you think Lord you could use another angel
To help pour out the rain?

Hmm can i help pour out the rain...

La da da da de.....
