Feat. The Rhythm Orchids

Boppa you, boppa you...

Well, you gotta get the rhythm  
If you're gonna rock  
You got to get moving  
And don't stop

Here we go  
Oh, here we go  
Now here we go  
(Here we go)

Well, somebody touched me  
In the dark last night  
Yes, somebody touched me  
In the dark last night

Somebody moved me  
With all her might  
She thrilled my soul  
When she held me tight

Yeah, who, who, who  
In the dark last night

Last night  
A stranger (a stranger)  
Took my hand (took my hand)  
Last night  
A stranger (a stranger)  
Took my hand (took my hand)

Last night  
A stranger took my hand  
Said you're gonna be  
My lover man

Yeah, who, who, who  
In the dark last night

Boppa you, boppa you...

Well, now you got the rhythm  
So don't stop  
We're gonna move on  
With a roll and rock

Now here we go  
Oh, here we go  
Now here we go  
(Here we go)

Well, somebody made me  
Fall in love last night  
Yes, somebody made me  
Fall in love last night

Somebody made me fall in love  
Set my heart and soul above

Oh, who, who, who  
In the dark last night

Last night  
A stranger (a stranger)  
Took my hand (took my hand)  
Last night  
A stranger (a stranger)  
Took my hand (took my hand)

Last night  
A stranger took my hand  
Said you're gonna be  
My lover man

Yeah, who, who, who  
In the dark last night

Oh, oh, oh, oh...
