Teasable, pleasable  
Teasable, pleasable

Teasable, pleasable  
And you're on my mind  
Teasable, pleaseable you

Teasable, pleaseable  
Will you be mine  
Teasable, pleaseable you

You're the one true love I found  
You turn my whole world upside down  
'Cause you make my dreams come true  
You're my teasable, pleaseable you

Teasable, pleasable  
Teasable, pleasable

Teasable, pleasable  
Will you be mine  
Teasable, pleasable you

Teasable, pleaseable  
Love all the time  
Teasable, pleaseable you

You're the one true love I found  
You turn my whole world upside down  
'Cause you make my dreams come true  
You're my teasable, pleaseable you

My teasable, pleaseable you  
My teasable, pleaseable you...
