Kiss me each morning for a million years
Hold me each evening by your side
Tell me you love me for a million years
Then if it don't work out
If it don't work out
Then you can tell me goodbye

Sweeten my coffee with a morning kiss
Soften my dreams with your sigh
Tell me you love me for a million years
Then if it don't work out
If it don't work out
Then you can tell me goodbye

IF you must go I won't grieve
If you'll wait a lifetime
Before you leave
If you must go no I won't grieve
If you'll wait a lifetime
Before you leave
Them if you must go mmmm I won't tell you no
Just so that we can say we tried (we tried)
Tell me you love me for a million years
Then if it don't work out
If it don't work out
Then you can tell me goodbye
