Had a crush on Santa  
Since I was 9 years old  
But oh santa, why do you go?  
Once a year you come visit me  
Eat my cookies, leave presents  
The same old routine  
But now Santa, i want something...more  
No presents are what this girls asking for  
Santa sleep with me tonight

I read these words in her diary  
An invasion of my girlfriend's privacy  
I shouldn't have, but I'm glad I did  
Wonder what does she see in him?  
A big old tub of jelly with a double chin  
He's older than my grandmother

Indeed this fetish is really bizarre  
A sexual attraction for this holiday jar  
I've got a plan that you wouldn't believe  
But I've got to act fast

It's christmas eve (3x)  
Santa's suit is what I will get  
And give my girlfriend a night that she'll never forget  
And neither will I  
Went through my closet and found a red robe  
Made a beard out of cotton and stuffed my shirt with  
pillows  
And drove to my girl's house

I slipped down the chimney and to my dismay  
Some Santa and my girl in red lingerie  
And in between all the moans and groans  
I heard her say:  
Oh Santa  
Oh Santa  
She said Santa I missed you I love you  
I wish you would stay home forever with me  
Santa I knew you were coming to town,  
But now you are coming with me

Santa!  
Get off of my girlfriend  
Get off of my girlfriend
