Whenever I go out to the parties
I try so hard just to fit in
I'll walk around with a cup of beer in my hand
And smoke a cigarette
I want to be like everyone else

And they would want my autograph
I'll have a video on MTV
And I'll be signed on Epitaph

Because I know someday, I'll break away
I'm just another face in the crowd, gonna break away

Before my mind goes insane

I'm gonna make a change
I'm gonna be ok
I'm gonna start today
Start today

And they would want my autograph
I'll have a video on MTV
And I'll be signed on Epitaph

I'm just another face in the crowd, not gonna let it bring
me down
Because I know someday, I'll break away
I'm just another face in the crowd, gonna break away

Before my mind goes insane

I'm just another face in the crowd, not gonna let it bring

I'm just another face in the crowd, gonna br
