[Juicy J]

Ain't no where to run, ain't no where to hide  
Cause we makin' death threat phone call, plenty killas  
right outside  
Waitin' for you to make a move, waitin' for you to make  
a move  
When I get my hands on you ain't no tellin' what I'll do  
Train those kids from homeless schools  
Chopped up bodies in the tube  
Burnin' in the back yard. Use the blood to fill my pool  
Fill it up with nothin' left  
Tape record the face of death  
Evil forces in my mind tellin' me to kill myself

[Lord Infamous]

I shall fulfill your every desire  
Tied up to my bed made off hot barbed wire  
Take the stash to the (..?..) of your living room  
Black magic wicked Voodoo  
Turn the furnace high run outside  
Tonight, tonight your fire  
They close to the (?) and the multi (?)  
Eternal miss a (?) when they bake the (?)  
Fuck the punishments, hearts of unholiness

[Koopsta Knicca]

Takin' to be crazy bang. That blood be red, red  
Three 6 won't you tell me if you feel me?  
Teat that poppin' and droppin' inside the mon  
C'mon everybody sing a song cause he's gone  
Bow down Koopsta holdin' that gun, Koopsta holdin'  
that gun  
Buck'em down only one  
But he looked me in my eyes, but i cant help it  
So make me out to kill a bitch before he help a bitch

[DJ Paul]

Murda, Murda my intention. Came a new dimension  
Neitha' do I mention. The drugs we fill in your system  
We sticked'em with needles and feet the feat is beat us  
if you dare to

Sicker than fevers, meat clevers, leave us to the bed  
roof  
Don't answer the phone it might be the one that you  
been dodgin' fool  
Don't answer the phone it might be the one thats at the  
window crew  
Just cut off the ring and let me make a way to your soul  
Behind the T.V. in the corner with your eyes closed
