Yeah Yeah

We've been dating for a week  
and now you're asking me if i love you  
i don't know what to say.  
Hey, why don't we hit the hay,  
i'll be your love slave in the morning  
Pretend that we're ok.  
Your moving fast  
Don't get attached  
I think you're hot  
but i love you not.  
when im with you  
i don't wanna hear the words that don't mean anything  
to me  
i don't love you, i will never say the words that don't  
mean anything to me  
BIATCH!

We are nothing but a fling  
so don't expect a thing from me girl  
you're way to serious  
why don't you just build a bridge  
so you get over it  
and me girl. we're friends with benifits

Your moving fast  
Don't get attached  
I think you're hot  
but i love you not.  
when im with you  
i don't wanna hear the words that don't mean anything  
to me  
i don't love you, i will never say the words that don't  
mean anything to me

Pathetic Hopeless Romantic  
This is why you never get it  
single is the way for me  
come play with me.

Your moving fast  
Don't get attached  
i love your bod (Oh Johnee!)

Your moving fast  
Don't get attached  
i think you're hot  
but i love you not.  
when im with you  
i don't wanna hear the words that don't mean anything  
to me  
i don't love you, i will never say the words that don't  
mean anything to me
