...Nastay

I'm so happy now
that I'm
I'm a single guy
No more relationships
Because i dont want to try
To make them work
That's right
I'm not being nice
When I got rid of you
It was the best day of my life...yea

I dont want you
I dont need you
I won't sleep with you
Stay away from me

So what your sad
I'm glad
I'm over what we had
Who cares about our past
I'm never looking back

Cry to your friends
And lie
I'm the asshole type
No matter what you say
You'll always wait in line

I dont want you
I dont need you
I won't sleep with you
Stay away from me(4x)

COME ON

I dont want you
I dont need you
I won't sleep with you (2x)
Stay away from me (10x)
