You'll steal my heart, I'll count to three
You'll walk away, just like on TV
You left enchanted

You'll steal my heart, I'll count to three
You'll walk away, just like on TV
You left enchanted
You left enchanted

Chorus:

All those things you said to me, well
Made me cry myself to sleep, and
Kinda think I like it, pretty sure I liked it
All those things you said to me, well
Made me cry myself to sleep, and
Kinda think I like it, pretty sure I liked it

You'll steal my heart, I'll count to three
You'll walk away, just like on TV
You left enchanted
You left enchanted

Chorus

You'll steal my heart, I'll count to three
You'll walk away, just like on TV
You left enchanted

Chorus

Na na na bitch
