Lend me a shoulder  
Over and over  
I?m a misunderstanding  
So why aren?t you laughing  
Do do do do do do do do do

I?m just a hell of a guy  
I bet you?re wondering why  
You haven?t heard of my name  
But now I pay on my way

How did I hurt you  
Look what I went through  
Oh, my head wasn?t working  
I couldn?t salute you  
Do do do do do do do do do

I?m just a hell of a guy  
I bet you?re wondering why  
You haven?t heard of my name  
But now I pay on my way  
I?m just a hell of a guy  
No matter how hard I try  
I got a lot to say  
You never feel quite the same

Do do do do do do do do do  
Do do do do do do do do do

I?m just a hell of a guy  
I bet you?re wondering why  
You haven?t heard of my name  
But now I pay on my way  
I?m just a hell of a guy  
No matter how hard I try, ya  
I got a lot to say  
You never feel quite the same
