Lend me a shoulder  
Over and over  
Iâ€™m a misunderstanding  
So why arenâ€™t you laughing  
Do do do do do do do do do

Iâ€™m just a hell of a guy  
I bet youâ€™re wondering why  
You havenâ€™t heard of my name  
But now I pay on my way

How did I hurt you  
Look what I went through  
Oh, my head wasnâ€™t working  
I couldnâ€™t salute you  
Do do do do do do do do do

Iâ€™m just a hell of a guy  
I bet youâ€™re wondering why  
You havenâ€™t heard of my name  
But now I pay on my way  
Iâ€™m just a hell of a guy  
No matter how hard I try  
I got a lot to say  
You never feel quite the same

Do do do do do do do do do  
Do do do do do do do do do

Iâ€™m just a hell of a guy  
I bet youâ€™re wondering why  
You havenâ€™t heard of my name  
But now I pay on my way  
Iâ€™m just a hell of a guy  
No matter how hard I try, ya  
I got a lot to say  
You never feel quite the same
