You were the one that swore that it would never come  
to this  
You were the one that swore your most sacred gift was  
a kiss  
I was the one who laughed out loud at your attempt to  
try  
Our love still sits waiting as we both wonder why

I'm in your bedroom sipping on soda, yeah  
Hoping to God that you might notice, yeah  
Yeah yeah  
I'm in your bedroom sipping on soda, yeah

You were the one that swore that it would never come  
to this  
You were the one that swore your most sacred gift was  
a kiss  
I was the one who laughed out loud at your attempt to  
try  
Our love still sits waiting as we both wonder why

I'm in your bedroom sipping on soda, yeah  
Hoping to God that you might notice, yeah

Help me save you  
Won't you save me?  
Help me save you  
Won't you save me?

I thought about the ways we could go  
I thought about the ways we could go  
I thought about, I thought about  
I thought about the ways we could go

I'm in your bedroom sipping on soda, yeah  
Hoping to God that you might notice, yeah  
Yeah yeah  
I'm in your bedroom sipping on soda
