We've been dating for a week  
And now you're asking me if I love you  
I don't know what to say  
Hey, why don't we hit the hay?  
I'll be you're love slave in the morning  
Pretend that we're okay

You're moving fast  
Don't get attached  
I think you're hot  
But I love you not

When I'm with you  
I don't want to hear the words  
That don't mean anything to me  
I don't love you  
I will never say the words  
That don't mean anything to me

We are nothing but a fling  
So don't expect a thing from me, girl  
You're way too serious  
Why don't you just build a bridge  
So you get over it and me, girl?  
We're friends with benefits

You're moving fast  
Don't get attached  
I think you're hot  
But I love you not

When I'm with you  
I don't want to hear the words  
That don't mean anything to me  
I don't love you  
I will never say the words  
That don't mean anything to me

Pathetic, hopeless, romantic  
This is why you never get it  
Single is the way for me  
Come, play with me

You're moving fast  
Don't get attached  
I love your butt

You're moving fast  
Don't get attached  
I think you're hot  
But I love you not

When I'm with you  
I don't want to hear the words  
That don't mean anything to me  
I don't love you  
I will never say the words  
That don't mean anything to me

When I'm with you  
I don't want to hear the words  
That don't mean anything to me  
I don't love you  
I will never say the words  
That don't mean anything to me  
That's right
