Bluebird, now, bluebird  
Please take the letter down south for me  
Bluebird, now, bluebird  
Please take the letter down south for me

Now I don't want you to quit flyin'  
Until you find Miss. Lacey Belle for me

Now bluebird, when you get to Jackson  
I want you to fly down on Shannon Street  
Now bluebird when you get to Jackson  
I want you to fly down on Shannon Street

Now I don't want you to quit flyin', bluebird  
Until you find Miss. Lacey Belle for me

Now bluebird, when you find Miss. Lacey Belle  
I want you to give her my best regard  
Bluebird, when you find Miss. Lacey Belle  
I want you to give her my best regard

Now I want you to tell her I'm up here in St. Louis  
You know that times is awful doggone hard
