We're gonna have a good time
We're gonna have a good time
We're gonna have a good time
We're gonna have a good time

We're gonna rock on the roll
Girl, we're gonna have a good time

I got a girl, she lives out on the hill
I don't believe my baby gonna get nobody killed

We're gonna have a good time
We're gonna have a good time
We're gonna have a good time
We're gonna have a good time

We're gonna rock on the roll
Girl, we're gonna have a good time

I feel so good and I always will
Feel like a jack with a jenny
Hide behind the hill

We're gonna have a good time
We're gonna have a good time
We're gonna have a good time
We're gonna have a good time

We're gonna rock and roll
Girl, we're gonna have a good time

Mama, mama, look at sister
[Incomprehensible] tryin' to do the boogie twist

We're gonna have a good time
We're gonna have a good time
We're gonna rock and roll
Girl, we're gonna have a good time

We're gonna have a good time
We're gonna have a good time
We're gonna have a good time

We're gonna have a good time

We're gonna rock and roll

Girl, we're gonna have a good time
