Yes, I'd rather be sloppy drunk, any other thing that I

Yes, I'm drunk again people, layin' down in the street

Well, my baby, she done quit me she's lovin' somebody
else

Well, my baby, she done quit me she's lovin' somebody
else

Well, I'm sloppy drunk again, sleepin' all by myself

I say, "Woh, bring me another half of pint"

I say, "Woh, bring me another half of pint"

Well, I'm drunk, sloppy drunk, I'm gonna raid this joint

I said, "I'd rather be sloppy drunk, sittin' in the sand"

Yes, I'd rather be sloppy drunk, sittin' in the sand

Yes, I'm layin' down in the street, [Incomprehensible]

I say, "Woh, bring me another half of pint"

I say, "Woh, bring me another half of pint"

Yes, I done got sloppy drunk, I'm gonna raid this joint
