I can't shhot something that dosen't exist  
I can't forget about what's in me  
I can't vomit what i didn't eat  
I can't hide from the shadow  
I can't fight with a monster  
'cause i don't look suicidal  
I don't call the guys for help  
I can't endanger them  
Devour me i'm a big cheezcake  
Eat until you're full  
I'm an all you can eat  
Bar drink me all up  
I'm a pint of the brew  
Devour me as i stand  
Be my godzilla [2x]  
*Devour me As i stand*  
*Be my Godzilla*  
*I can't call the doctor for help*  
*Be my godzilla*  
*I can't hide from the monster*  
*Be my godzilla*  
*I can't fight with a monster*  
*'cause i don't look suicidal*  
*I don't call the guys for help*  
*Devour me as i stand*  
*Be my godzilla*
