It's not true, that I'm a drunkard  
Even though mother damned a thousand times,  
It's not true, that I'm ungreatful  
But I'm not without a blemish too.  
It's true, Jim has almost killed me  
Even though he wasn't my master  
It's true - I'm not afraid of acid  
And I'd like everything right now.  
Somebody said that I'm a kid  
And he was absolutely right  
Somebody saw me mixin' "Bloody Titus"  
He said, "It's not an attraction."  
A drunk lady danced behind me

Naked in my black leather  
I Intended to f... her as cold as stone  
But I couldn't - I got too much  
And it's true, that I'm wicked  
Even though they thanked me many times  
It's true that I'm a motherf...er  
But I don't fell any repulsion to myself  
Hey you, don't tell me, don't even try,  
That fault is only mine,  
And don't damn acid,  
It's cheap and it kicks so well  
I mean acid! Do you like it?!
