I'd like to ask you to do something
you see, I hate any objections
so die, die for me
I require it, my sexual straggler
cremate yourself for me
it's easy for you, it's your heavy duty
don't let me cry, don't let me cry
do it with pretty smile
I will hate you tomorrow, just like I hate you today
it is my caddish promise
Chej,
Hej, think, you'll make me pleasure
it could be Xmas present
so, kill yourself for me
I really, really want it
do it, do it, do it, do it, do it, to me do it
I demand your fuckin' dead body
I'm not an asshole
you can do it for me
I will hate you tomorrow, just like I hate you today
it is my caddish promise
I'll bring you the death to your home
I'll introduce her to your mother
I'll wear white suite, I'll come with a sack of shit
You got it??!!
