Eyy. I got the ball  
Hmm... I got the line... I bend the ball, ball to the line  
Oh, yeah, the ball to the line  
You're welcome to join us all  
Though you haven't got the ball  
You're welcome to join us all  
Let us give you inspiration  
Welcome to join  
Join our sacred congregation

I bend the ball to the line  
I bend the ball to the line!

I bend the ball, ball to the line  
Oh, yeah, the ball to the line  
I bend it like enchanted  
I bend it 'cave I'm haunted  
If you have not got the ball  
Enter! And mine we will coil  
You'll be absolutely pleased  
What? You didn't eat meat?  
You'll be absolutely pleased  
What? You didn't eat meat?  
Let us give you inspiration  
Join our sacred congregation  
I bend the ball to the line  
I bend the ball to the line!!
