AZ:

Yeah son, I know you can hear me man  
shit been crazy in the hood since that happen, hu  
but I found out the cat that did that, word to minds  
I'ma see him in a minute son, hu, it's on

{Lawrence Fishburn from Hoodlum: "Get ready for  
your final thrill."}

AZ:

I know the clubs where you rock at, the spots you cop at  
Keep frontin' nigga, showin' ya Roley, getcha watch  
snatched  
Watch that, know where your moms shop at  
Gotcha block mapped and ain't afraid to push ya top  
back  
That's what you get when you borrow shit, and never  
pay back  
So nigga say that, frontin' like you can't lay flat  
You a rat, plus you started this beef from way back  
Cats you sip wit, even feel you on some flipped shit  
Thought I was twisted  
Beat that, been home since Christmas  
Got the word where your bird live, out in L.I.  
From this next bitched named Trista sell lye in Bed Stuy  
So nigga what now? Got the whole game fucked now  
Who you trust now? See you tinted up your truck now  
No need to back track, next time know who you blast at  
For gettin' black clapped, got your cousin killed and  
nap napped  
Now the streets know, nuttin' left for us to keep low  
Never sleep though, on point and make a nigga reach  
low  
Up in Brooke Dale, heard my little man took 12  
Jagged hook shells, doctors claim he don't look well  
Left his mom stressed, now it's time to bomb the  
projects  
Teflon vest, four pounds could make your palm sweat  
Put the word out, so vexed I even curse your bird out  
She don't deserve clout, flippin' wit the cotton herb  
mouth

On Potterscott, me and Wop, nickel gats cocked  
The way we popped up so shocked, niggas made our  
backs rock  
Broad daylight, y'all hustle fake, and don't play right  
Holdin' shit wit broken clips that spit, but don't spray  
right  
Clothes, cars & ice, hard to remember starvin' nights  
Niggas startin' fights, Narcs in the dark, cold cloggin'  
pipes  
Starvin' wives, used to buy weight at bargain price  
Now we scarred for life, clog is desolvin', slowly outta  
sight  
All illin', navigatin' four wheelin'  
Alcohol spillin', marinatin' on your killin'  
Like a contest ladders fall, winner takes all  
Judges make calls, Kings stand behind the 8 ball (8  
ball)

{Tim Roth from Hoodlum: "You're a dead fuckin'  
nigger! You hear me?  
You're dead!"}  
{Lawrence Fishburn from Hoodlum: "Get ready for  
your final thrill."}

CHORUS: [AZ]

I know the clubs where you rock at, the spots where you  
cop at (yeah)  
Keep frontin' nigga, showin' ya Roley, getcha watch  
snatched  
(get it snatched)  
Watch that, know where your moms shop at  
Gotcha block mapped and ain't afraid to push ya to  
back (uh huh)

I know the clubs where you rock at, the spots where you  
cop at  
Keep frontin' nigga, showin' ya Roley, getcha watch  
snatched  
(keep frontin')  
Watch that, know where your moms shop at (Wor)  
Gotcha block mapped and ain't afraid to push ya top  
back

I know the clubs where you rock at, the spots where you  
cop at  
Keep frontin' nigga, showin' ya Roley, getcha watch  
snatched  
Watch that, know where your moms shop at  
Gotcha block mapped and ain't afraid to push ya top  
back

I know the clubs where you rock at, the spots where you  
cop at  
{Tim Roth piece}  
Keep frontin' nigga, showin' ya Roley, getcha watch  
snatched  
Watch that, know where your moms shop at  
Gotcha block mapped, and ain't afraid to push ya top  
back

I know the clubs where you rock at, the spots where you  
cop at  
Keep frontin' nigga, showin' ya Roley, getcha watch  
snatched  
Watch that, know where your moms shop at  
Gotcha block mapped, and ain't afraid to push ya top  
back  
(top back, top back, top back, top back.....)
