Well, she walked up to me and she asked me
if I wanted to dance
she looked kind of nice and so I said
I might take a chance
when we danced she hold me tight
and wne I walked her home that night
all the stars were shining bright and then she
kissed me
Each time I saw her I couldn't wait
to see her again
I wanted to let her know that she was
more than a friend
I didn't know just what to do, so I whispered "I love you"
she said that she loved me too and then she fucked
me.
She kissed me in a way that I've never been kissed
kissed, kissed before
she kissed me in a way that I want to be kissed
forver more
I knew that she was mine, so I gave her all the love that
I had
and one day she took to meet her mum and her dad
Then I asked her to be my bride and always be right by
my side
she felt so happy, she almosed cried and then she
kissed me
Then I asked her to be my bride and always be right by
my side
she felt so happy, she almosed cried and then she
kissed me
and then she fucked me, and then she kissed me.
