Well all I want is a party doll  
To come along with me when I'm feelin' wild  
To be everlovin', true and fair  
To run her fingers through my hair

Come along and be my party doll  
Come along and be my party doll  
Come along and be my party doll  
I'll make love to you, to you, I'll make love to you

Well I saw a gal walkin' down the street  
The kind of a gal I'd love to meet  
She had blond hair and eyes of blue  
Baby, I wanna have a party with you

Come along and be my party doll  
Come along and be my party doll  
Come along and be my party doll  
I'll make love to you, to you, I'll make love to you

Every man has got to have a party doll  
To be with him when he's feelin' wild  
To be everlovin', true and fair  
To run her fingers through his hair  
To run her fingers through his hair

Come along and be my party doll  
Come along and be my party doll  
Come along and be my party doll  
I'll make love to you, to you, I'll make love to you

Come along and be my party doll  
Come along and be my party doll  
Come along and be my party doll  
I'll make love to you, to you, I'll make love to you
