With The Rhythm Orchids

Oh, I'm a swinging daddy
And I love that jive
Just wind me up
And I'll come alive

Throw me a woman
With style and grace
Then stand back, buddy
And give me space

Kicked off her shoes
And I messed her hair
And I watch a real
Swinging pair

Well, give me a boogie
With a real wild beat
I love a crazy rhythm
'Cause it's my need

Swing me a woman
Who can move about
And I swing it to a rhythm
And I swing it stout

Kicked off her shoes
And I messed her hair
And I watch a real
Swinging pair, hey, bop

I'm not the one
And I won't be found
Running into walls
For a two-step down

But a real cool boogie
Hits the spot
So crank up the band
And let's get hot

Well, I'm a swinging daddy
And I love that jive
Just wind me up
And I'll come alive

Throw me a woman
With style and grace
Then stand back, buddy
And give me space

Kicked off her shoes
And I messed her hair
And I watch a real
Swinging pair
