My love is gone  
And you're left all alone  
What can you do when love was out of you?

Ooooooooooh, la, la, la, la  
Ooooooooooh, la, la, la, la---

I did you wrong  
My heart went out to play  
But in the game, I lost you  
What a price to pay  
I'm crying  
Ooh-ooh-ooh, baby, baby  
Ooh-ooh-ooh, baby, baby

Sorry  
Let me come back and love you  
Let me make it up to you  
What can I do?

Mistakes I know I've made a few  
Well, I'm only human  
You made mistakes, too  
(I'm crying) I'm crying  
Ooh-ooh-ooh, baby, baby  
Ooh-ooh-ooh, baby, baby  
Ooh, baby I love ya  
Ooh, baby, I need ya

Ooh, baby, baby, baby, baby, I love you  
Ooh, baby, baby, baby, baby, I need you  
Ooh, baby, baby, tell me what can I do  
Ooh, baby, baby, let me make it up to you--

[interlude]

Baby, baby, the hurt keeps getting stronger  
Stronger  
Baby, baby, I can't hold out much longer

## Longer

Stronger, the hurt keeps getting stronger  
Stronger, I can't hold out much longer  
Stronger, the hurt keeps getting stronger, ooh  
Stronger, I can't hold out much longer, ooh  
Stronger, the hurt keeps getting stronger, ooh  
Stronger, I can't hold out much longer

Whoa, oh, oh, ohhhhhhhhh, ohhhh, ohhh  
I'm just a part at the end of my rope  
But I can't stop trying, I can't give up hope  
'Cause I feel one day I'll hold you near  
And whisper I still love you until that day is here  
Until that day is... here---  
Ooh-ooh-ooh, baby, baby  
Ooh-ooh-ooh, baby, baby  
Ooh-ooh-ooh, baby, baby (I'm crying)
