You called to tell me it's over
But you still haven't hung up the phone
You say let's talk a little longer
Cause you don't wanna be alone

And you don't seem to care if it's painful
Keeping me out in the cold
You still want a piece of whatever I've got
To fill up that empty hole

One heart ain't enough
And if you don't want my love
I'll find someone who does
Because because because
One heart ain't enough

I remember the first time I saw you
The first gentle brush of your hand
But I don't remember when I realized
I might not fit into your plans

Now I stand at the door with these flowers
My pride leakin' out of my shoes
You know that I'll stand here for hours
So you can love me whenever you choose
But darlin', it takes two

One heart ain't enough
And if you don't want my love
I'll find someone who does
Because because because
One heart ain't enough

I know that I'm not perfect
But I'm not the last in line
If I could have one more chance with you girl
I'd lay my heart on the line

One heart ain't enough
And if you don't want my love
I'll find someone who does

Because because because
One heart ain't enough
