(G. Johnson/R. Dunbar/G. Perry)

We belong together
What would we do without each other?
We belong together
We would be lost without each other

I've just received your letter
Already I feel better
Oh darling, I am lonely, too
Those warm words I've read
Word so sweetly said
But these words I love the best

We belong together
What would we do without each other?
We belong together
We would be lost without each other

Then you go on to say (I need ya)
We can go on this way (Ooh baby, I need ya)
Oh darling, I need you so
With each tender line (I need ya)
Awakens my mind (Ooh baby, I need ya)
I'm glad to know that we agree

You don't know (you don't know)
How much you lifted me (How much you lifted me)
With these words (With these words)
You wrote so tenderly (You wrote so tenderly)

You said we belong together (Your letter read)
What would we do without each other?
We belong together (So sweetly said)
We would be lost without each other

Oh, I can't help but cry (I need ya)
As each line goes by (Ooh baby, I need ya)
My darling, I need you here
You end with truly yours (I need ya)
More now than before (Ooh baby, I need ya)

You love me, then you repeat

We belong together (Your letter read)
What would we do without each other?
We belong together (So sweetly said)
We would be lost without each other

We belong together (Tenderly said)
What would we do without each other? (Sweetest words
I've ever read)
We belong together
