(William "Smokey" Robinson)

You're gone, I'm all alone  
I'm missing you  
Wondering who's lovin' you

When I had you here  
I treated you bad and wrong, my dear  
And boy since, boy, since you've been gone  
Don't you know I sit around with my head hanging down  
And I wonder who's lovin' you

Oh, oh, I should have never (Never, never)  
Never, never, never made you cry (Never made you cry)  
And boy since, boy, since you've been gone  
Don't you know I sit around with my head hanging down  
And I wonder who's lovin' you

Life without love (Life without love) is oh so lonely  
And I don't think that I, I'm gonna make it (Can't make it)  
All my life (all my life)  
All my loving (all my love) I've been lost to you only  
So, come on home, boy  
Come on and take it because all...  
All I can do (all I can do), all I can do (All I can do)  
Since you've been gone is cry  
And don't you ever wonder or worry your head of what I do  
Don't you know I sit around with my head hanging down  
And I wonder who's lovin' you

Who's lovin' you, who's lovin' you  
Who's lovin' you, who's lovin' you  
Who's lovin' you, who's lovin' you  
I wanna know, I wanna know, I wanna know (Oooh)  
[repeat 'til fade]
