[Chorus x2]

If you're sitting down  
Time to get up  
Sippin' on some  
Drink it up, Hit the floor  
And rock your body  
Walah cuz its a party HEY!

I saw you for the first time  
When you were walking on to the block  
You had a fine throw-back, timberlands to match  
And now I don't see you no-more  
And I'm tryin to find out where you at  
Cuz you would look so much better next to me  
OHH-wait you sexy baby come back this way

[CHORUS x2]

And now I know I'm looking good and no need to  
frontin'  
All eyes on me  
I must be working somethin'  
'Bout to hit the floor so tell me who want it  
You looking at me so won't you come & get it?  
Playa's what's crackin  
I'm asking who's dancin' with me tonight?  
UHH DJ don't stop playin my song!

[CHORUS x2]

I'm hot but I don't get sweat on my hair  
It's still gettin atcha  
Girls roll with me, but I can't find 'em  
Gimme a second & let me locate 'em  
Tell me watcha doin after we close  
We're going where everyone goes  
On the west is hot spot, and the east is the copshop,  
south the waffle house  
Baby come dance with me!

[CHORUS x2]

Oooooooooooooooooooooooooo whooooooo step step  
step step

Oooooooooooooooooooooooooo whooooooo rock rock  
rock rock

Oooooooooooooooooooooooooo whooooooo bounce  
bounce bounce bounce

Hit the floor and rock your body  
Wil'out cuz it's a party HEY!

[CHORUS x2]
